STATUS INQUIRY
REQUEST FOR DECISION ON PETITION

Commissioner of Patents
P. O. Box 1450
Arlington, VA 22313-1450

Dear Sir:

This office has recently taken over the responsibility for prosecution of the above identified application. Review of the file reflects that a Petition to Withdraw a Holding Of Abandonment was filed June 19, 2000 by counsel holding the Power of Attorney of Applicant, and there is no indication in the file that Applicant received any action on the Petition. The undersigned is supplying a copy of that Petition and the related papers.

On or about September 23, 2002, new counsel assumed the responsibility for prosecution of the identified application and on September 23, 2002 filed a Status Inquiry for the application. It is not clear whether the attorney included a copy of the Petition with the Status Inquiry. A copy of the Status Inquiry is enclosed.

The undersigned is today filing with this request a Power of Attorney executed by Assignee of the present application, and advises that a copy of the assignment of the application by the original Applicant (the inventor) to the Assignee (Ice One, Inc.) was recorded at Reel 9340/Frame 0295. A

subsequent assignment from Ice One, Inc. to Tube Ice, LLC is concurrently being filed for recording at the Patent Office.

If the Examiner feels that a telephone conference with Applicant's attorney would advance the prosecution of the application, he is invited to call the undersigned at 901-537-1108.

Respectfully submitted,

H. Roy Berkenstock

STATUS INQUIRY

Our office recently took over the above-identified file in 2001. In a routine check, we find that we have not received any U.S. Patent and Trademark Office communication or response to the Petition to Withdraw the Holding of Abandonment. We are concerned with the possibility that an Office Action was issued and possibly misplaced or lost in the mail. Kindly check your files and let us know the status of this case. If any Action has been issued, it would be appreciated if an additional copy could be sent to the undersigned, or advise when we can expect to receive an Action.

Respectfully submitted,
